Please note, South Africa's vast road network is one of the largest and most interconnected in the sub-Saharan region, meaning roads are well-used and extremely busy. When travelling to &Beyond Ngala Private Game Reserve, please drive with caution and be aware of other drivers and vehicles/trucks on the road as well as poor road conditions and pothole deterioration in some areas. Please allow for additional travel time to the reserve, and remember to take regular pit stops.

Please be aware that, as you pass through the boomed gate, you are in a wilderness area where predators and high-profile game roam freely. Do not leave your car for any reason. Please adhere to the speed limits within the reserve at all times.

Wherever possible and available, we do provide covered parking for guest vehicles. However, we cannot be held responsible for theft, loss or damage whilst vehicles are parked on our premises.

**As you will be entering reserves with wild animals, and driving over gravel roads, &Beyond recommends you take appropriate insurance cover and consider excess-waiver cover.**
